

MALAK ABDULLAH

New Cairo , Fifth settlement| Azad Compound | 01111921892 | Malakabdallahzidan@gmail.com

OBJECTIVE

I am presently pursuing a major in Computer Science at Future University in Cairo. My academic journey has furnished me with a solid foundation in computer science, along with excellent communication skills. One of my strengths is the ability to thrive under pressure. I am well-equipped to handle stressful situations and perform at my best, making me a reliable asset in fast-paced and challenging environments.

EXPERIENCE

ECPC

I have gained foundational skills in programmatic Thinking and problem solving.
